Free!

PUBLIC INTERNET CLASSES

These free classes are held in the Mountain View Public Training Center (second floor) at 585 Franklin St, Mountain View. Please sign up in advance at the Information Desk, 2nd Floor or by calling (650) 903-6337 or online **https://ca.evanced.info/mountainview/lib/eventcalendar.asp**.

- ## September 8th, Thursday, 6:45 - 8:45 pm Basics of Internet Search

  Dan Russell from Google will be here providing information for those wanting to start searching the Internet. This class is for those with little or no Internet experience—however, some skill with a computer mouse is required. Our Computer Skills—Online page has practice sites **http://libraryxo.org/practice**

- ## September 24th, Saturday, 10:30-11:30 am Public Computer Use

  You have your library card, you want to use the computers at the library. Now what? This class will give you an overview of using the computers at the library, tips on printing, saving information, accessing application programs. To get full use of this class **please bring earphones and a USB drive**.
